PUTNAM'S SEMI-MONTHLY LIBRARY Price 25 cents.

A narrative of an American Farmer, who has incorporated with an interesting account of personal adventure and description of roral life in England, much valuable agricultural information, with a careful analysis of those peculiarities of climate and social condition which affect the practicability of introducing recent English improvements into the United States.

ENTRACT FROM THE AUTHOR'S PREFACE.

"I have most desired to bring before my brother farmers and their families such things that I saw in England as have conveyed practical agricultural information, or use-had suggestions to myself; and such evidences of simply refined tastes, good feelings, and enlarged Christian sentiments among our English brothern, as all should enjoy to read of."
